Please note that the timetable is subject to change due to whole school timetabling.

**8.20 – 11.50 Class time.**

During this time, children are dropped off at Nursery to settle in to activities of their choice under the guidance of the Nursery Staff.

They will use the equipment for Teacher led group or child initiated individual activities, following their individual learning programmes. These activities may take place within the classroom or outdoors.

They may also be involved in Art, Music, French, Swimming, or Gym during this morning session.

A Circle Time will be held at an appropriate time most mornings; this is a group activity where the weekly focus is introduced using songs, games, stories and sharing time.

Children may choose to join Circle Time or continue working quietly at their activities within the classroom.

During the morning, the children help themselves to a snack of milk or water, fresh fruit or vegetables and a carbohydrate snack.

**11.50 – 12.40 Lunch time.**

We join Pre Prep for lunch in the Dining Room at 11.50. Any children leaving at 12 should be collected from the front of school, and ticked off with the duty member of Nursery Staff.

Please ensure that you inform us, School Nurse and the Kitchen Staff immediately of any changes in dietary requirements. You will be asked to update your child's medical form.

From the Dining Room we go to the afternoon activities. Children being collected at 1.00 can be met in the Nursery Classroom, except on Friday when collection is from the front of school or Pavilion area. Please tick off with the duty member of Nursery Staff.

**1.00 – 2.30 Afternoon Activities.**

Please refer to the timetable for activities each afternoon. These activities may take place all around the school site and we aim to be back at Nursery by 2.30pm.

Please let us know if you need to collect early so we can arrange a meeting point, otherwise, refer to the lobby door a contact number.

Afternoons tend to be more relaxed and similar to a child's home experience.

**2.35 - 3.00 Snack and Story Time.**

Back at Nursery we shall have a snack of milk or water, fresh fruit or vegetables and a carbohydrate snack. The children then settle down for stories and conversation before home time.

All children leaving at 3.00 should be collected from Nursery and ticked off with a member of staff. You are welcome to join us for Story Time.

From 2.45 onwards, please enter through the glass door, check your child's drawer, and take them through to the lobby to collect their belongings.

Your Key Person will be happy to speak with you, or help you to locate your child's Progress Book, at any drop off and collection time.

**After School Care** - Children attending will be taken to Pre Prep and can be collected and ticked off from there.
